## **2014 – 2015 CANADA WEST FIELD LACROSSE LEAGUE COMMISSIONER'S REPORT**

It's been a good year overall. We saw an increase in players, and a new team came into the league – the UBC Thunderbirds, which brought us to 7 teams this year.

We received gaming last August and the men were (at last) able to buy new uniforms and game equipment like balls, water bottles etc... which was a huge boost to the smaller clubs like Ladner, Vancouver, and Abbotsford.

We played the first part of the season out of two fields: Mobilio in Coquitlam and Queen's Park East in New Westminster. It was difficult trying to keep everything together with two fields being used at the same time, however we made it work. The second part of the season saw us all play out of Queen's Park East.

The break between fall and winter is a long one, and this year there were noticeably more dropouts for the second part of the season than last year, and less registrations.

The season ended last Saturday (March 28<sup>th</sup>), and Provincials are taking place this Friday and Saturday at Queen's Park East beginning Friday at 9:00 a.m. This year we had a team from Nanaimo ask to play in the tournament, and we are looking forward to having them join us this week-end.

The weather has been cooperative, and I think I only sat out in the rain 3 times this season. Last year it seemed like it rained every week. There are always more players when it's dry! Once again, I had no serious disciplinary issues.

We now have a new website [cwfl.ca](http://cwfl.ca) in order to be more visible in the lacrosse community, and we are hoping to link it to all the youth association websites in order to bolster registration from graduating players, and also to make the U18s aware of being used as call-ups.

Referees have been a bit of an issue at times, and on a few occasions we have only had one referee turn up for games.

Gaming for the league has been applied for and sent in.

CWFL AGM is set for April 8<sup>th</sup>, volunteers are in place, and I've even been approached by an ex-player wanting to help out. We are currently brainstorming how to promote the league.

Many thanks go out to Toni Lowe who never seems to get tired of my questions, Dirk Rachfall, who keeps me on the right track and the Pacific Coast League who allowed me to approach their U19 teams for exhibition games when we needed them to fill in gaps.

I'll enjoy the summer, but I'm excited to see where next season leads us!

Mary Clare – CWFL Commissioner
